

FREE EVENT!

The Cowlitz Public Shooting Range is holding a **free** “First Shots” introduction to shotgun clay target shooting on Saturday, August 10, 2024, to mark National Shooting Sports Month. Participants will attend a short classroom briefing and then shoot 10 clay targets at our trap range. This is **COMPLETELY FREE**, with all materials supplied including eye and hearing protection. We will provide the shotguns, ammo and the clay targets, but you can bring your own gun if you like. As a bonus, you will receive a \$25 coupon redeemable at the range for future trap shooting if you complete a post event survey.

Space is limited to 30 participants and reservations are suggested so we can schedule and accommodate 10 shooters per session. Non-reserved participants will be allowed on a space available basis. Shooting sessions are at 10:00 a.m., Noon and 2:00 p.m., and will last approximately 90 minutes. This “First Shots” event is sponsored by the National Shooting Sports Foundation, the shooting sports trade association. Additional details can be found at www.cowlitzshootingrange.com email CPSR98611@gmail.com or call Steve Nelson at 360-846-3535.

No prior shooting experience is required – this is a beginner level “First Shots” event. There are no age restrictions for participation, but anyone under the age of 18 must be accompanied by a parent or legal guardian, and the usual liability waiver must be completed. We will be using 12-gauge shotguns designed for adults, so younger or smaller users who have trouble with the length and weight of the gun may not be allowed to shoot if it’s a safety issue. We will have some 20-gauge shotguns available as well.
